Subject: Updated on Flint Hills

Ann, Steve

Just wanted to give you a quick update on our Flint Hills PA Report Release.

We are working on giving the Federal Congressionals a heads up that we will be releasing this report. Once we have connected with them and addressed any concerns they may have we will move forward with its release. My guess is next week sometime.

I also have an updated FAQ sheet for you to use. I decided to take out the question concerning the PA's effect on property values. As we do not want to make a strong statement on whether it will or not. I know there is a fact sheet that addresses Superfund and property values specifically. I'm trying to track it down.
